What's a White Elephant?

Donate your unwanted items. They may be someone else's treasure.

- Gifts you may have received that you have no use for
- Good items (new or used) taking up space in your closet, garage or attic
- Craft items - Books - Baked goods - Housewares - Tools

Who's Buyin'?

This is an open event. Invite your family & friends-the more the merrier!
It's a great fundraiser for the club and a really fun time.

Let the Bidding Begin!

Our own Ron Lederer will run the auction and you may find yourself bidding against others for that tool or trinket you just can't live without. Don't forget your wallet. All proceeds benefit our VCSC treasury so we can keep other events affordable.

Did Someone Say Food?

Bring an appetizer or dessert to share. Be sure to bring serving utensils. The BBQ lunch, water, sodas, & beer are provided to members. **Guests are \$10 each.**

By the Way...

Your auction items should be anything in good working order...no junk, no nickel & dime crap. If it doesn't sell-you take it home! Be sure to bring chairs to sit in!
