ANNOUNCEMENTS, COMMENTS AND STORIES:

Bill Klaus was cleaning his garage and found some very old brochures and magazines with Corvettes on them. One of the brochure's had our club logo on the windshield of the Corvette and another picture in a magazine (edition, Sept 1977) you could see Bob's '53 Corvette plus our Club logo. Bill passed around old Corvette brochures for club members to look at. Phil contributed to Bill's story.

Phil Roche was going through an old board of director's folder and found a letter that was written by the then president, Charlie Ryia, in 1988. The title of the letter is Prospectus. Charlie wrote: "This literature has been prepared so that you may better understand the function and goals of the VINTAGE CORVETTES OF SOUTHERN CALIFORNIA, Inc." Charlie's letter is included as an attachment to these minutes.
