COMMENTS AND STORIES

Corvette Trivia Spotlight by David Cervelli: * Designer was Harley Earl, head of GM styling, began work in 1951. Concept EX-122 debuted at the 1953 Motorama in NYC
*First production corvette rolled off the line June 30, 1953 in Flint Michigan. * Zora Arkus-Duntov was considered the “Father of the Corvette”.

Raffle drawing brought in \$164.00. Thank you went out to Mike Dixon and Melissa Cervelli for handling the raffle. David Cervelli made raffle tickets on his computer and they had to be cut and organized. A note from this author, bake goods were a big hit at the meeting. Laurie showed up to the meeting for the first time since her accident. She baked a flourless chocolate cake for the raffle.

Dinner drawing \$25.00 went to the Cervelli’s

Name badge No drawing held
