

VCSV Club Meeting Minutes, January 7th, 2017

New President elect Jerry Miller called meeting to order at 12:30pm. There were 19 members attending. Thanks to Mark Singer for another great Tune In and Alyse Braunschweiger for setting up the Wine and Vino and for Spencer Hوجلund and Alyse Braunschweiger for hosting the December pizza party.

Old Business: Christmas Party Feedback: Good venue but tough set up with the dance floor in a separate room. Not all the food was cooked well, some was cold and the room got a little chilly.

Car Problems: Jim reported that Mike Gibbons' wife Patti's corvette whose shock blew out and their extended warranty didn't cover it, Rydell wanted to replace 2 shocks for \$2,200. Donnie the mechanic there got the price down to \$800 for one. Jim looked into the extended warrantee for their CTS-V wagon making sure it covered those shocks as it has the same ones! Cost is about \$3,600 for multiple year extended warrantee, cost for ZO6 is prohibitive.

New Business: Clyde is scheduling the Peterson Museum tour of the Vault on February 5th. Cost is \$20.00 for the vault plus \$10 general admission. Clyde and Colleen will be trying the Italian restaurant at the museum to decide if that's where dinner will be after. Stay tuned for details...

Today's Event: Phil Roche outlined today's event, a tour of the Nethercut Museum. Cost is free to get in and dinner will be determined after the tour.

Vice President Spencer Hوجلund took in \$75 (+/-) at the raffle and with even the light attendance was determined to sell some raffle tickets. There was a name badge drawing for \$35 and Dave Frey won but was not there. The drawing is up to \$40 for next meeting!
