The Christmas party is locked in for the Airtel Plaza, just south of the 94th Aero Squadron. The food is very tasty! We will have a live band, and they have given us a good rate if you would like to stay the night, \$119 plus tax.

Ron and Sharon Lederer are hosting the June event which will be a timed run obeying all traffic laws to the dinner destination. It is \$10 a car. Whoever is closest to their time wins! Ron puts on a good run, it will be worthwhile.

Kemo has arranged 20% off parts and 20% off labor at Rally GMC Chevrolet in Palmdale. Ask for Allen.

Jerry reminded us you can get a good deal on the C7s now, GM will pay \$1,000 towards the Spring Mountain Driving School too.

Barb announced that she has club jacket samples. Black with grey sleeves with red logo on the back and name on front. Pricing is \$29 for the jacket and \$60 for embroidery, about \$100 total for the completed Jacket. Alyse with be getting a second quote to see if we can lower the price at all.

Around the Board:

President: Jerry Miller, at the September day in the park event, we will have a white elephant auction. Same park, good location. Save your stuff for the auction! It has to work and remember, if it doesn't sell you have to take it home!

Vice President: Spencer Hoglund, slight change in July event, the shop we were planning on touring is having financial hard times and may be closed before the event. We may be able to get in next year though. We have lined up plan B at the LAFD museum in Hollywood for a private tour. They will close the street so we can park the corvettes in front of the museum. That will be pretty awesome picture too! More details to come.
